Dom,  
per you're a  
sweet guy.  
I like you a lot.  
You're a good  
guy.  
I'm on  
more reasons  
of them is  
probab'  
ly one. One  
hope you're  
never met you.  
I hope you  
have a  
fun summer.  
You will  
have a  
good and  
have a  
good life.  
Breakthru...  
Love,  
Susie

### Breakthru...

Searching, sharing, living, creating, happening... People doing this jammed together overcome by noise and movements and lights. Stilled by silent words and nonexistent gestures.

Bits of us learning, laughing, crashing together, carving a little space in time.

Then we find us wondering- "What's it all about?" asking- "Who are you?" shouting- "Let me happen!"

A sea of a thousand individuals  
jammed together for a  
common purpose...  
each searching for his own  
reality.

Tom,

I've had a good time this year in biology recalling the summers' years ago that we shared. Be good and hope to see you this summer.

Tracy

Youth creates a new way of living... a world full of sharing, and the joy of life itself.

Movements of youth  
carve a special place  
in time...  
a time surrounded  
by noise, and  
life's illusions.

People join together  
creating good times . . .  
happenings  
never to be forgotten.

An eternal search  
for truth, knowledge,  
a goal in life...  
Finally it's found!

Three television stations taped Senator Goldwater as he spoke to the class of '73.

A variety of instruments was used by "Freefare" during their performance.

Members of "Freefare" could all play more than one instrument. Here the lead guitarist took his turn on the drums.

The audience participated in a skit on hobbies with the band. Even Coach Muller had a good time.

Keith, the drummer for "Freefare", was at one time a member of "Blood, Sweat, and Tears".

"Somehow it was more fun when the coach was showing me this hold," says Sue Gershin as her opponent, Robin Strome, restrains her with a cross-body.

## Trojans Break Losing Tradition!

Head Coach Dick Anders

The "Men of Troy" surprised many fans as well as football teams this year, crashing through a losing tradition to P.V.'s winningest gridiron season ever. Under new head coach Dick Anders the Trojans racked up a total of 185 points. Coach Anders credited much of the success to the outstanding leadership of Bill Pohle, Art Vance, and Lyle Miller, as well as lineman Greg Hayes and Mike Carns. The Pohle-Miller duo accounted for the bulk of the scoring.

Losing its first two games of the season to Scottsdale and Brophy, the Big Red broke into the winning bracket on no. 3, outgunning Moon Valley 28-26. Despite a home field under six inches of water, the Trojans edged Prescott 12-7 and the following week buried Glendale's Cardinals with their biggest point output of the season, 33-8.

Now with a chance to show their strength, against a more formidable foe, the Red Machine narrowly missed with an exciting last minute loss to state power St. Mary's. Hoping to gain a notch in the lopsided rivalry with Sunnyslope, the trojans could only manage a tie. Determined to make a good Homecoming showing, the Trojans trounced Flagstaff 25-16. The following week a powerful bunch of Cortez Colts defeated P.V. 24-8. And finally, scoring all of their points in the game's first five minutes, the Trojans thrashed a listless Marcos de Niza team by a score of 22-13 to end the season.

## JV's Determined Against Tough Opposition

Much to the surprise of everyone, the Junior Varsity gridders ended the season with a 3-4-1 record. Expected to be one of the most explosive teams in recent years, Coach Hatcher felt the record could easily have been 6-2.

Mr. Hatcher commented that much of the difficulty was due to lack of team depth, which, when numerous injuries occurred, proved vital to the team's success. The wins, however, were exciting ones, highlighted by a last minute victory over Flagstaff.

Great leadership was displayed by a number of talented Sophomores, including Matt Clark, Jon Pinney, Monty Cole, Doug Homer, and John Latcham.

The Freshman gridders displayed a vast amount of talent this season, despite a number of disappointing losses to powerful opposition. The team discovered the value of healthy players by the end of the season.

Head Coach Bill Wolfe said the Frosh squad displayed more outstanding talent and leadership through quarterback Greg Clark and defensive standouts Bob Wallace and Bill Tate.

Showing a great desire to play defense, the team blitzed the opponent in every one of its wins, with respective scores of 14-0, 26-0, 6-0, 26-0.

Despite a disappointing 2-8 record by the distance men this season, Coach King recognized the abundance of individual talent on the team. Led by varsity runners Dan Reogle, Mike Ramos, Bob Hert, and Brian Paterik, the cross country team was hurt all year by the lack of a solid man. With wins over Prescott and Sunnyslope, the team showed a strong need for another dependable runner.

JV Harriers: FRONT ROW: Chris Ramos, Dennis Wolfstein, David Keller. BACK ROW: Mike Oswood, Mike Jacobs, Richard Vanderber, Eric Byler.

Varsity Cagers- STANDING: Coach Robert Carroll, Rick Wilder, Dan Page, Greg Jones, John Ures, Larry Fleischer, Roy Slabaugh, Pete Barnhizer, Rick Bartelt, Roger Turley, Dan Lake, KNEELING: Tom Redmon (Manager).

## Carroll's Cagers Plagued by Injuries.

Coach Robert Carroll ended his first season at the helm of P.V. basketball with a record of 4-15. Guiding the offense and providing the main scoring punch were seniors Roy Slabaugh and Larry Fleischer, as well as Junior standouts Rick Bartelt and Dan Lake. Senior John Ures had a number of fine games in which he played an important role.

Coach Carroll attributed the majority of the trouble to the vast amount of illness and injury to the squad this season. A plague of broken hands, knee operations, and cases of chicken pox contributed to the fact that the entire team was healthy scarcely two consecutive games.

## JV's Show Consistency and Improvement

KNEELING: Tony Phillips, Doug Kaz, Tony Simmons. STANDING: Coach Ron KoiVisto, Tom Redmon (Mgr.), Tom Scala, Bill Evitts, Dennis Brandell, Mark Everhart, Roy Berke, Kelly Small, John Drazkowski, Ace Fanning, Kevin Hayes.

Showing steady improvement as the season progressed, the JV basketball team posted both victories in its last three games, to wind up the season at 2-17.

With much of the offensive punch coming from forward Mark Everhart, the game's latter half proved to be the team's undoing. Coach Ron KoiVisto also cited defensive standouts Kevin Hayes, Doug Kaz and Ace Fanning for their all-around outstanding defensive play in the season's late stages. Coach KoiVisto was happy with the season, in that both his goals were met; the players gave one hundred percent of their ability and showed steady improvement each game.

The Varsity Wrestlers finished the '72-'73 season with a 5-3-1 record. Seniors Jeff Strickland and Tom Witter showed strength in the lower weight classes, while John Jenkins and Dan Loeffler helped in the upper weights. Five wrestlers placed in divisionals. Taking first place was Tom Matteson, with seconds by Dan Loeffler and Tom Witter. John Barrese took third while Jeff Strickland finished fourth. The five wrestlers continued on to state. John Barrese, a sophomore, placed fourth at the state tournament.

JV wrestling showed bright prospects for next year. Red Trovillion ended the season with a 9-1 win loss record. Helping immensely at the lower weights was Tim Matteson. Many JV wrestlers earned their varsity letter by winning their matches.

Although the turnout for freshman wrestling was fairly small this year, the team proved to have amazing talent. Russ Earegood and Dave Pellerin were two assets to the team. Coach's King and Kropfchek taught the rookies the basics of wrestling.

Most of the strength of the Varsity Cindermen came from returning senior lettermen Lyle Miller, Dan Replogle, Dan Payne, Jim Rebenar, and Roy Slabaugh. Lyle Miller was one of the best sprinters in the state. Backing up the seniors were sophomore Bob Hert and junior Doug McComb. The team was coached by Mr. Bill Wolfe, Mr. Mel Rising, Mr. Will White, and Mr. Jerry Conner.

The freshman track team was especially strong in weights. Joe Drazkowski and Paul Stanford are the outstanding men in shotput and discus, while Bart Good did a fine job pole vaulting.

# Administration Tackles Problems of Year

The administration, working together for their second year, maintained an open-door policy for students and teachers. One of their main objectives was to boost school spirit. To attain this, extra time for club meetings was allotted. Also more pep assemblies were scheduled.

The staff began plans early for the next school year. When the high school began reaching its full capacity, new ideas were developed in order to escape double or extended sessions. Along with the views of the administrators, students and teachers gave their opinions for the future.

# New Outlook for Counseling Department

Mrs. Paula Manzer  
Mr. David Mosow  
Mr. Melvin Peterson  
Mr. Don Roth  
Department Head

The counseling department had a new outlook this year with the addition of four new members, including a new department head, Mr. Roth. Their main objective was to make the relationship between student and counselor more personal. To achieve this they went to the students individually. This enabled students to be sure of all graduation and college requirements before second semester.

The counselors also put out two publications this year. One was sent to teachers explaining the functions and purposes of the counseling department. Another was a bulletin made up especially for the graduating seniors.

Even though work piles up, Mrs. Betty DiGesu always has a cheerful outlook.

Mr. Mark Barnett explains the purpose of the police force.

Mrs. Lois Holler goes over some underclassman registration forms.

# English Offers Variety of Courses

As the English Department started its school year, three new courses were added to the curriculum: plays, Shakespeare and World Literature. It became apparent as the year progressed, that Science Fiction and Film and The Film Maker were the most popular courses among the students. Two new teachers were introduced to the teaching staff: Mrs. Mowaked-Ardbillie and Mr. Todd Pollock. Also new this year was the beginning of the Title I program which enables special study for students needing extra help in reading.

Miss Jo Ann Harvey, department head for the past 14 years, believes the most important goals in this area include having semester courses and allowing students to go into more specific areas of study after their basic Freshman English.

Mrs. Judith Spreitzer  
Mr. Lawrence Wittig  
Department Head

Mr. William Miller selects music for rehearsal.

The Fine Arts Department, headed by Mr. Lawrence Wittig, offers a wide selection of courses. Since this department includes art, drama, and music, both choral and instrumental, many students have enrolled in Fine Arts classes.

A purpose of the Fine Arts Department is to make the students aware of certain cultural activities and thus be able to apply their knowledge elsewhere after they graduate.

Each separate section of this department has had activities connected with it brought to the student body. Art has had many exhibits, drama has had plays, and music has had night concerts along with music during lunch.

Concert Choir gathers around the piano to rehearse songs for district festival.

Debbie Kahn demonstrates the art of weaving.

Senior Ed Baum blends tones with fellow members of the brass section.

# Math Teachers Aim for Improved Study Habits

The three goals of the mathematics teachers are: 1) improved study habits for students, 2) improved math attitudes, and 3) an application of math skills. Each teacher employs his individual teaching method. However, as described by Mr. Mac Haynie, department head, the main method is traditional with modern concepts. New techniques are always tried.

Plans for the future include some one semester courses in math, also a course in computer knowledge.

Mrs. Damiani prepares to instruct a freshman Algebra class in the manipulation of variables.

# Science Department Adds College-Level Course.

Anne Meade and Anne Scheller contemplate a rigorous Chemistry assignment with Mr. Ron Smith.

In its effort to present an intelligent, utile program of science training, the science department has this year introduced two new courses into the curriculum; Advanced Placement Biology, which provides an opportunity for students to obtain college credit; and Entomology, which offers specialized training in the field of insect study.

Two levels of Chemistry are also being offered for the first time this year.

# Industrial Education Expands

The new Industrial Education building was the pace setter for this year in Industrial Education, which added space, equipment, and expanded Graphic Art facilities.

A total of 48 courses, including five new courses composed the curriculum. All classes were overloaded attesting to the popularity of the department.

Two new teachers were added to this increasingly large department; Mr. Kaylor and Mr. Nicholas.

Mr. Frost, department head for the past 15 years, believes each student who plans on developing industrial skills will benefit by taking specific courses needed for his career.

# Faculty Gets Involved in Home Economics Department

The Home Economics Department found this year that the most popular courses were Bachelor Survival, Family Relations, and Child Development.

In the Child Development class, the students learn about children and their activities. Knowing this helps them for the Child Development Center.

In the Center the students are considered as "Student Teachers". They individually plan out the activities for the children that hour.

During the Bachelor Survival class, Mrs. Isley, department chairman, invited the male faculty to prepare their favorite dish. This was meant to show the bachelor students that almost every man is a Galloping Gourmet in his own way. Besides the learning aspect, the students also have fun.

With apron on and hair held back, Scott Parnell attempts a masterpiece in Bachelor Survival.

Mrs. Mildred Pettis  
Mr. Larry Reifenrath  
Mr. William Verhulst  
Mr. Augie Zito  
Department Chairman

The Social Studies Department, headed by Mr. Augie Zito, has added many new aspects to its past teaching methods. Simulation games, one type of addition, allow students to become more involved in the subject while interest increases.

Free Enterprise, a new required course for seniors, has been designed to broaden the economic knowledge of the students. In this subject the students' awareness of our country's economic structure and an understanding of how it works is emphasized.

Two new teachers have added their skills to this department. Mr. William Pellett, a graduate from N.A.U., teaches Free Enterprise. He has B.S. and M.S. degrees. Mr. Paul Hibbert has classes in world geography and American History. Along with teaching, Mr. Hibbert coaches freshman football and baseball.

Mr. Bill White gets ready for his next performance.

Mr. Larry Reifenrath's American History class demonstrates different reactions to his talk on the Civil War.

Mr. Bill Wolfe heads a discussion after showing a film in American History.

Rick Courtney, senior, listens to Mr. William Pellett's view on an economic issue.

# New Equipment Aids Foreign Language Department

Mrs. Cheryl Ingold, department head, prepares to leave after a long day.

Rick Hay, sophomore, finds a new friend in Mr. Ortega's Spanish class.

The year began with a new head for the Department of Foreign Language, Mrs. Ingold.

New equipment was introduced into the Foreign Language Department this year which included tapes, recorders, microphones, and headphones.

Four years of Spanish and three years of French were offered to students. Also a fourth year class with a mixture of Spanish, French, and Russian was offered.

# Business Department Stresses Saleable Skills

One of PV's most progressive departments, the Business Department, aims its efforts toward providing students with a marketable skill.

Standard courses such as typing, shorthand, and business machines provide the fundamental skills necessary to a secretarial career, while programs such as COE and DECA, offer students a chance to gain on the job experience while receiving salaries and earning credits.

More specialized business courses are also increasing in demand as evidenced by the expansion of Business Law to a full year course this year.

Mrs. Marilyn Patrick is department chairman, heading a staff of twelve. Approximately 60 percent of the student body is currently enrolled in business courses.

# P.E. Department Offers New Weight Lifting Program

Mr. Charles Baker  
department head  
Mr. Robert Carroll  
Miss Mary Lou Kostielney  
Miss Betty McIlvain

As stated by Mr. Charles Baker, department head, the purpose of the physical education courses is to introduce the individual to new and different programs which will create a desire to continue physical activities after graduation. These courses are patterned to increase recreational activities.

This year a new weight program was offered. Weights adding up to 1200 lbs. were purchased especially for this course.

A co-ed gymnastics course is included in the curriculum. This class is designed for the more advanced P.E. student.

One of the new teachers in the physical education department is Mr. Roy Muller. Besides instructing P.E. courses, Mr. Muller is an assistant coach for varsity football and baseball.

Mr. Robert Carroll is also a new teacher in this department. Along with teaching P.E., he is coach for the varsity basketball team.

Practicing stunts on the balance beam is a part of the gymnastics program in girls' P.E. classes.

Mrs. Barbara McFarland, Bookstore Manager, spends a lot of the day on the phone conducting school business.

## Special Education Completes Second Year

This is the second year for the Special Education Department. Mrs. Viola King, department head, is also in her second year at Paradise Valley High School.

One purpose of the Special Education Department is to give the students all the individualized instruction they need. This applies to the academic courses as well as a physical education class which has been added.

# Students Benefit From Media Services

In two years the library has increased their holdings from 11,000 to 17,000 volumes. It is hoped that in the near future there will be more added. Besides providing books and a place for students to study, the library also has a large room for films, lectures, and orientation. Miss Martha Golay, department head, says that remodeling is being planned to make more room for the students.

The Audio Visual Department, headed by Mr. Bruce Kinde, is irreplaceable to students and faculty. Through this department copies are made, films are ordered, and equipment such as overhead projectors are checked out to classes. Mrs. Rhonda Hutson, a new member of the faculty, applies her graphic art skills for the school and the district office. Along with all of this tape recorders and cassettes are checked out by students.

Activities in the past have brought us memories. Good times along with bad have all made lasting impressions in our mind. This book attempts to capture some of these happenings so that they may be recalled in the years to come.

In the future, experiences will occur which will add new meaning to your life. Meeting new people, making your own decisions help in creating a unique individual - you. As soon as you find this separate identity ...

There were many people who helped our staff, and without them, this yearbook would not have been possible. The Trojan '73 staff would like to thank:

MR. CHUCK BURSELL AND AMERICAN YEARBOOK COMPANY for printing our book and getting it to us, even though we didn't meet any of our deadlines.

MR. GEORGE ECCLES for taking so many of the pictures in this book and coming out to help us whenever we asked.

MRS. DOROTHY GOODMAN for sending us all of her pictures that we forgot to take.

MR. BRUCE KINDE for managing to always come up with the special picture we needed and any others we might need.

MR. KEN LITTELL for flying his airplane over PV so we could get an aerial picture, and

MRS. PHYLLIS STANFIELD for giving up many of her weekends and holidays to work with our staff and making sure we did this yearbook right.

Tom  
It has been nice knowing you.  
Enjoy your summer. Best of luck  
to you in the future. See ya  
next year.  
Soon Shelly

To Tom  
I don't know  
you will have  
having this  
see you just say  
you you in  
next year.  
See David.
